There is nothing quite as satisfying as a good "standing" crop.

But a destructive hailstorm can ruin that crop in seconds. High winds can severely damage a dwelling, barn, or other building. Lightning loss is a big concern at this time of year.

WE'VE GOT PEOPLE GOING FOR US.

People like Elsie Burks

There are banks with more people than Fidelity American. But, no bank has *better* people. And every single person who works at Fidelity is going all out to prove it. We're proving it by bending over backwards to help you when the chips are down, when help, not sympathy, is what you really need. We're proving it by providing the kind of banking service *we'd* want if we were you.

And we're proving it in the most basic way. By coming to you and asking for your business. We want only one thing: to be the best bank in Virginia. We're the only ones who can make it happen. Don't be surprised when it happens because, at Fidelity American Bank, we've got people going for us.

TRAVEL TIPS AND TRICKS

Don't change your fashion habits for a trip. It will make you uncomfortable and self-conscious. If, for example, you don't like wearing a raincoat in Philadelphia, don't buy one for Amsterdam. Rely instead on an umbrella.

When traveling with children in an automobile, be

especially careful not to put any sharp, heavy or hard-edged objects on the rear window ledge.
